

Building a More Inclusive Lesotho through AT

AT removes barriers, improves independence and empowers persons with disabilities to participate fully in education, work, community life and the economy.

Our Strategic Focus

Policy & Governance

Strengthening policies, frameworks and accountability for a more inclusive society.

Stronger Systems and Coordination

Building effective systems and partnerships for coordinated and sustainable action.

Resource Mobilisation

Building sustainable partnerships and mobilising resources for greater impact.

Research & Knowledge Management

Generating and sharing evidence to inform inclusive development.

Aligned with the UNCRPD

We work in line with the Convention on the Rights of Persons with Disabilities for a more inclusive and just society.

Our Key Actions in Lesotho

Focused interventions to advance progress, build capacity and create lasting change.

ADVANCING THE POLICY FRAMEWORK
